Sill panels

Applicable to

All Rolls-Royce and Bentley four door motor cars listed below.

Rolls-Royce

Silver Spirit

Silver Spur

Bentley

Mulsanne

Eight

Turbo R (upto vehicle identification number (VIN) *SCBZS0TA3JCH23854*)

Turbo R long wheelbase (upto vehicle identification number (VIN) *SCBZN0TA4JCH23935*)

Introduction

This Product Support Information Sheet has been issued to advise service and parts personnel that two types of sill panels are available.

Description

During 1986 a swage line was incorporated into the sill panel. Therefore, prior to ordering sill panels, ascertain which type is required by referring to figure

S37-1

S37-1 Sill panel outer

A	Sill panel with swage line
B	Sill panel without swage line

S37-1 (A or B).

Figure

S37-1

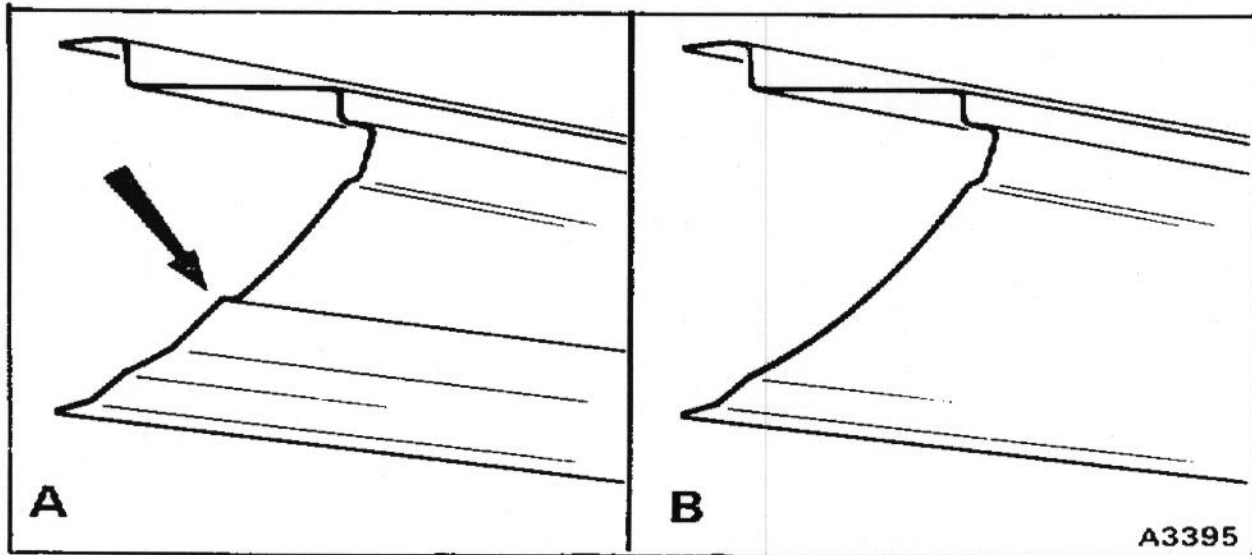

S37-1 Sill panel outer

A	Sill panel with swage line
B	Sill panel without swage line

S37-1 A shows the sill panel with the swage line. Figure S37-1 B shows the sill panel without the swage line.

Part number without swage line	Description	Part number with swage line
RH 12324	Sill panel outer right-hand - long wheelbase	AHP 0400
RH 12325	Sill panel outer left-hand - long wheelbase	AHP 0401
RH 12326	Sill panel outer right-hand - short wheelbase	AHP 0398
RH 12327	Sill panel outer left-hand - short wheelbase	AHP 0399
