SERVICE BULLETIN - FUEL PUMP KIT (RH3397P)

This information can be found in SY/K19 of TSD4318 dated from 10/6/1985

PIERBURG FUEL PUMP

APPLICABLE TO:

All Rolls-Royce Silver Shadow II, Silver Wraith II, Corniche and Bentley T 2 motor cars built to North American and Japanese specifications.

All Rolls-Royce Corniche, Camargue, and Bentley Corniche cars from car serial number CRH 50001 onwards.

INTRODUCTION:

A new fuel pump has been introduced and will be supplied for all replacement purposes when stocks of the previous pump are exhausted.

DESCRIPTION:

The new pump incorporates a different type of electrical connection. When used as a service replacement for the previous pump, a new type of Lucar connector will be required to adapt the existing wiring loom (see fig. 1 and 2).
