

Worldwide suppliers of quality post-War Rolls-Royce and Bentley parts

Job Description

Job title: Vehicle Dismantler	Department: RPW	Date: March 2024
-------------------------------	-----------------	------------------

Flying Spares specialises in the supply of spare parts for Rolls-Royce & Bentley motor cars. The company was founded in 1995 and in February 2020 became Employee Owned. We have a vacancy for a Vehicle Dismantler at our Market Bosworth premises. The main purpose of this role is to assist our busy Recycling team in the dismantling of vehicles.

What responsibilities will you have?

- *Dismantling of vehicles – All models of Rolls-Royce & Bentley from 1946 to the present day.*
- *Removing parts from our vehicles to fulfil sales orders or replenish our warehouse stock.*
- *Quality checking parts that have been removed ensuring that they are of a suitable quality for re-sale to the trade and public.*
- *Housekeeping and Yard Operative duties.*

The successful candidate will ideally :

- *Have experience working within the Automotive industry.*
- *Have experience of using a range of hand tools.*
- *Be able to work competently and efficiently.*
- *Work well on their own or as part of a busy team.*
- *Possess strong communication skills.*
- *Adhere to Health and Safety policies within the department and around the company.*
- *Be able to follow de-pollution procedures to safely remove fluids, batteries, wheels or gas from vehicles when required.*
- *Forklift experience is helpful but not essential.*

Rewards

- *A competitive salary based on experience.*
- *You will benefit from our Company Profit share scheme.*
- *Involvement in Company social events.*
- *A company uniform will be provided.*

Hours will be 8.00 am to 5 pm Monday to Friday.

This Job Description is a guide and does not form part of your contract of employment. It may be reviewed periodically to meet business needs and your personal development. Any changes will be discussed, and additional training given where needed.
